**To Tickle Your Funny Bone 😊**

In Miss Lily's kindergarten Sunday school class, she was teaching how everything the world was created by God, including human beings. Little Georgie was particularly interested in how Eve was created out of Adam's rib.

Later in the week the five-year-old's mother found him lying down as though he were ill. She asked him, "Georgie, what's the matter?"

To which Georgie replied, "I have a pain in my side. I think I'm going to have a wife."
