To Tickle Your Funny Bone 😊

A minister decided that a visual demonstration would add emphasis to his Sunday sermon. Four worms were placed into four separate jars:

The first worm was put into a container of alcohol.

The second worm was put into a container of cigarette smoke.

The third worm was put into a container of chocolate syrup.

The fourth worm was put into a container of good clean soil.

At the conclusion of the sermon, the Minister reported the following results:

The first worm in alcohol - Dead.

The second worm in cigarette smoke - Dead.

The third worm in chocolate syrup - Dead.

The fourth worm in good clean soil - Alive.

So, the Minister asked the congregation - What can you learn from this demonstration?

A little old woman in the back quickly raised her hand and said,

"As long as you drink, smoke or eat chocolate, you won't have worms!"
