

St. Michael Church will be back at Saturday's Aurora Farmers Market at Water Street Square. We will be selling our traditional chifla (nut roll) & colac (sweet bread), raisin rose bread, and our church cookbooks. Our chifla, colac, and raisin rose bread are baked in our church kitchen and are sold to you fresh by third and fourth generation parishioners. The entire cost of the ingredients is donated so that 100% of your purchase will go for needed repairs for our 108-year-old church building.

Every donation will be gratefully appreciated.

Our dates for this season at the Market are:

June 1, June 15, July 13, August 10, September 7, and October 5.

We truly appreciate all our loyal customers, and we look forward to seeing you on Saturday, June 1st!
