To Tickle Your Funny Bone 😊

Nine-year-old Jeremy's mother asked the boy what he had learned in Sunday school. "Well, Mom, our teacher told us how God sent Moses behind enemy lines on a rescue mission to lead the Israelites out of Egypt. When he got to the Red Sea, he and his engineers build a pontoon bridge and all the people walked across safely. Then he used his walkie talkie to radio broadcast headquarters and call in an airstrike. They sent in bombers to blow up the bridge, and all the Israelites were saved. "Now, Jeremy, is that what really what your teacher taught you?" his mother asked. "Well, no, Mom, but if I told it the way the teacher did, you'd never believe it."
