#### Repairs:

During the past week we completed repairs on ten gravestones. We are planning to repair additional gravestones and we would appreciate any donations to this cause. Thank you to Mark Buga for volunteering to help with this project.

Please find attached some pictures with before and after repairs.

An underground pipe at the cemetery burst over the winter months. As soon as we are able to raise the funds, we will attempt the repairs. There is one faucet located in the northeast portion of the cemetery that is still operable. We are sorry for the inconvenience.

**To Tickle Your Funny Bone 😊**

A cat and a mouse died on the same day and went up to heaven. While strolling down the golden street they met God, and He asked them, "How do you like it so far?"

The mouse replied, "It's great, but can I have a pair of inline skates?"

God said, "Sure," and he gave the mouse the skates.

Later, God saw the cat and asked, "How do you like it up here so far?"

The cat replied, "Great, I didn't know you had Meals on Wheels."
