To Tickle Your Funny Bone ☺

During a church's 100th anniversary celebration, the local priest invited former priests and the bishop to attend. At one point, he called the children to gather at the altar and spoke to them about the significance of the day. He began by asking them, 'Does anyone know what the bishop does?'

There was silence. Finally, a little boy responded in a serious tone, "He's the one you can move diagonally."
